

LYNDA HAIRSTON

May 27, 2010

Dear Fellow Committee Members:

In accordance with Robert's Rules of Order and other customary parliamentary practices I am volunteering my services to act as Chairman of our state's Help America Vote Act (HAVA) Committee until we can meet and establish a quorum.

As you may or may not know, the HAVA Committee has traditionally had a problem establishing a quorum since its inception and prior to this administration. For the past four meetings we have come within one or two members of having a quorum. After talking with Secretary Chapman I have offered a possible solution. Since a majority of members of the committee reside in the Birmingham area and north of it, perhaps a meeting in that area would help us in establishing a quorum. Secretary Chapman and her staff have accepted this proposal.

A HAVA Committee meeting will be held on Thursday, June 24, 2010 at 9:00 A.M. at the Shelby County Services Building in Pelham. It is conveniently located within one mile of exit 242 off Interstate 65. The actual address is 1018 County Services Drive, Pelham, Alabama 35124.

Please RSVP at your earliest convenience to Adam Thompson at 334-353-7818 or adam.thompson@sos.alabama.gov.

Sincerely,
Lynda Hairston
