Definition of the Term "Positively Identified" as That Term is Used in Code of Alabama 1975, section 17-9-30 (e) (2011).

Code of Alabama 1975, section 17-9-30 (e) (2011) provides that "an individual who does not have valid photo identification in his or her possession at the polls shall be permitted to vote if the individual is positively identified by two election officials as a voter on the poll list who is eligible to vote and the election officials sign a sworn affidavit so stating." The term "positively identified" as used in section 17-9-30 (e) means that the election official is able to establish the identity of the voter based on the election official's personal acquaintance with the voter that allows the election official to state with certainty and with no doubt or reservation that the voter is who he/she says he/she is.
