                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |  |  |
| <div>"Shall the following Amendments be adopted to the Constitution of Alabama?"</div> <div>PROPOSED AMENDMENTS WHICH APPLY TO THE STATE AT LARGE</div> <div>PROPOSED STATEWIDE AMENDMENT NUMBER ONE (1)</div> <div>Proposing an amendment to the Constitution of Alabama of 1901, relating to the Forever Wild Land Trust, to reauthorize the trust for a 20-year period. (Proposed by Act No. 2011-315)</div> <div>Statewide Amendment No. 1-YES</div> <div>Statewide Amendment No. 1-NO</div> <div>PROPOSED STATEWIDE AMENDMENT NUMBER TWO (2)</div> <div>Proposing an amendment to the Constitution of Alabama of 1901, as amended, to allow issuance by the State from time to time of general obligation bonds under the authority of Section 219.04 and Section 219.041 to the Constitution of Alabama of 1901, as amended, so long as the aggregate principal amount of all such general obligation bonds at any time outstanding is not in excess of \$750 million. This amendment would replace the maximum aggregate principal limitations currently contained in said Sections 219.04 and 219.041. The proposed amendment would also allow issuance by the State of general obligation refunding bonds under the authority of Sections 219.04 and 219.041 to the Constitution of Alabama of 1901, as amended, subject to certain minimum savings thresholds and limitations of maximum average maturity. (Proposed by Act No. 2012-567)</div> <div>Statewide Amendment No. 2-YES</div> <div>Statewide Amendment No. 2-NO</div> <div>PROPOSED STATEWIDE AMENDMENT NUMBER THREE (3)</div> <div>Relating to Baldwin County, proposing an amendment to the Constitution of Alabama of 1901, to define the Stockton Landmark District within the county and to prohibit the annexation by local law of any property within the district into any municipality. (Proposed by Act No. 2011-316)</div> <div>Statewide Amendment No. 3-YES</div> <div>Statewide Amendment No. 3-NO</div> <div>PROPOSED STATEWIDE AMENDMENT NUMBER FOUR (4)</div> <div>Proposing an amendment to the Constitution of Alabama of 1901, to repeal portions of Amendment 111, now appearing as Section 256 of the Official Recompilation of the Constitution of Alabama of 1901, as amended, relating to separation of schools by race and to repeal Section 259, Amendment 80, and Amendment 109, relating to the poll tax. (Proposed by Act No. 2011-353)</div> <div>Statewide Amendment No. 4-YES</div> <div>Statewide Amendment No. 4-NO</div> <div>PROPOSED STATEWIDE AMENDMENT NUMBER FIVE (5)</div> <div>Proposing an amendment to the Constitution of Alabama of 1901, to provide for the transfer of the assets and liabilities of the Water Works and Sewer Board of the City of Prichard to the Board of Water and Sewer Commissioners of the City of Mobile, presently known as the Mobile Area Water and Sewer System. (Proposed by Act No. 2011-543)</div> <div>Statewide Amendment No. 5-YES</div> <div>Statewide Amendment No. 5-NO</div> <div>PROPOSED STATEWIDE AMENDMENT NUMBER SIX (6)</div> <div>Proposing an amendment to the Constitution of Alabama of 1901, to prohibit any person, employer, or health care provider from being compelled to participate in any health care system. (Proposed by Act No. 2011-617)</div> <div>Statewide Amendment No. 6-YES</div> <div>Statewide Amendment No. 6-NO</div> <div>PROPOSED STATEWIDE AMENDMENT NUMBER SEVEN (7)</div> <div>Proposing an amendment to the Constitution of Alabama of 1901, to amend Amendment 579 to the Constitution of Alabama of 1901, now appearing as Section 177 of the Official Recompilation of the Constitution of Alabama of 1901, as amended, to provide that the right of individuals to vote for public office, public votes on referenda, or votes of employee representation by secret ballot is fundamental. (Proposed by Act No. 2011-656)</div> <div>Statewide Amendment No. 7-YES</div> <div>Statewide Amendment No. 7-NO</div> <div>PROPOSED STATEWIDE AMENDMENT NUMBER EIGHT (8)</div> <div>Proposing an amendment to the Constitution of Alabama of 1901, to repeal the existing provisions for legislative compensation and expenses and establish the basic compensation of the Legislature at the median household income in Alabama; to require legislators to submit signed vouchers for reimbursement for expenses; and to prohibit the Legislature from increasing the compensation or expenses payable to its members. (Proposed by Act No. 2012-269)</div> <div>Statewide Amendment No. 8-YES</div> <div>Statewide Amendment No. 8-NO</div> <div>PROPOSED STATEWIDE AMENDMENT NUMBER NINE (9)</div> <div>Proposing an amendment to the private corporation provisions of Article 12 of the Constitution of Alabama of 1901, to become effective January 1, 2014, to continue the authority of the Legislature to pass general laws pertaining to corporations and other entities; to continue the authority of the Legislature to regulate and impose a business privilege tax on corporations and other entities; and to repeal various provisions concerning private corporations, railroads, and canals. (Proposed by Act No. 2012-275)</div> <div>Statewide Amendment No. 9-YES</div> <div>Statewide Amendment No. 9-NO</div> <div>PROPOSED STATEWIDE AMENDMENT NUMBER TEN (10)</div> <div>Proposing an amendment to the Constitution of Alabama of 1901, effective January 1, 2014, to amend Section 247 relating to the authority of the Legislature concerning banks and banking, to repeal various other provisions of Article XIII concerning banks and banking; and to repeal Amendment 154 to the Constitution of Alabama of 1901, now appearing as Section 255.01 of the Official Recompilation of the Constitution of Alabama of 1901, as amended, subject to the contingency that a new Article XII of the state constitution is adopted that repeals existing Section 232 of the state constitution, and subject to the contingency that Sections 10A-2-15.01 and 10A-2-15.02, Code of Alabama 1975, are repealed. (Proposed by Act No. 2012-276)</div> <div>Statewide Amendment No. 10-YES</div> <div>Statewide Amendment No. 10-NO</div> <div>PROPOSED STATEWIDE AMENDMENT NUMBER ELEVEN (11)</div> <div>Relating to Lawrence County, proposing an amendment to the Constitution of Alabama of 1901, to prohibit any municipality located entirely outside of Lawrence County from imposing any municipal ordinance or regulation, including, but not limited to, any tax, zoning, planning, or sanitation regulations, and any inspection service in its police jurisdiction located in Lawrence County, and to provide that a municipality prohibited from imposing any tax or regulation under this amendment shall not provide any regulatory function or police or fire protection services in its police jurisdiction located in Lawrence County, other than public safety mutual aid. (Proposed by Act No. 2012-306)</div> <div>Statewide Amendment No. 11-YES</div> <div>Statewide Amendment No. 11-NO</div> <div>PROPOSED AMENDMENT WHICH APPLIES TO ONLY ONE COUNTY</div> <div>PROPOSED LOCAL AMENDMENT NUMBER ONE (1)</div> <div>Proposing a local constitutional amendment relating to Jackson County, to repeal Amendment No. 846 of the Constitution of Alabama of 1901, now appearing as Section 1.50, Jackson County, Local Constitutional Amendments of the Official Recompilation of the Constitution of Alabama of 1901, as amended, relating to special elections to fill vacancies occurring in county offices. (Proposed by Act No. 2012-197)</div> <div>Local Amendment No. 1-YES</div> <div>Local Amendment No. 1-NO</div> |  |  |
| END OF BALLOT                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |  |  |
